Policy on Convention Conduct

The following considerations are presented to the Jaycees of local chapters in the hope that they will be considered as suggestions aimed at helping us all to have a good time, to accomplish the purpose for which this convention is called, and to preserve and enhance the fine reputation which the Oregon Junior Chamber of Commerce enjoys throughout the state.

(1) Local presidents are morally responsible for the conduct of their delegates while at the convention. Please help us by policing your own delegates.

(2) No campaign material will be placed in the vicinity of the registration area.

(3) Obvious violations of a gentlemanly code of conduct should be and will be called to the attention of the credentials committee.

(4) Damages done to any room will be the responsibility of the person or organization registered in the room, regardless of how the damage was incurred.

(5) Damages to any public area by election material, or other activities promoting a candidate will be the responsibility of the candidate.

Within the heart of Eastern Oregon, among the pine and fire-covered mountain ranges of the Cascades and the Blues, lies the famed Round-Up City of Pendleton. Here the spacious campus of a modernistic institution of education, Pendleton Senior High School, overlooks the city.

Pendleton Senior High, which numbers close to 1,000 students, has a reputation as a progressive school and works hard to maintain contemporary standards.

The English and History departments offer advanced placement and honors programs, and individualized instruction is provided through the team teaching approach. A comprehensive Language-Arts program includes Latin, Spanish, French, Russian, Creative Writing, Drama and Speech. A five-year mathematics sequence gives the students a solid background and a year of college math training. The journalism department boasts a medalist rated newspaper and an award winning annual.

In the world of sports, the high school teams participate and excel in football, cross country, basketball, wrestling, tennis, baseball, golf and track. The football team holds a consecutive win record of 46 straight conference games.

The student choral groups performing here tonight are part of a large and dynamic music department which involves 250 in choral music and over 100 in instrumental music. One of the highlights of the year was the Broadway production, "My Fair Lady", which drew capacity crowds for four nights.

CARD PARTY

So far things seem to be progressing as well as can be expected. The theme "Hawaiian Vacation" will be carried out with the program, see Judie's article. I'm certain that you will all enjoy the program.

It's about time for you to be getting your reservations into Aloha or Etha. Please try for 2 tables each if there are only 3 persons at each. Try very hard so we can really make this a success and help our girls at Pukalani.

The card playing will start at 8:00 p.m. at the Mik's Club. The cost to get in will be 75¢ per person and refreshments will be 5¢ per 50¢ and 25¢ each. Reservations should be getting the card prizes. If anyone has any ideas, please call her.

Please save that Friday morning to help Beryl and Pat with decorations and setting up card tables. The more of us that help the quicker we'll have it done. I'm hoping for a 7 hour job. Please plan to be there at 7:15 in your Hawaiian dress and shoes.

Also see Beryl's article for details on refreshments. Bring all your raffle prizes to the meeting on Thursday. Thanks for all your help thus far. It is making my job enjoyable and a lot easier.

Card Party Chairman

Now is the time to start inviting people to our card party, set for Friday, August 2, at the Mik's Club. If you have only one person who plays cards, ask your friend to come. We can set up a table. (The easy way!). Play can stop any time that takes their fancy. When you have a table, call me at 350-4111 to make a reservation.

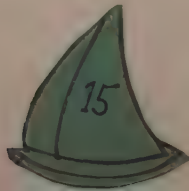

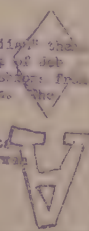

Remember - Start working on this now. Let's have the biggest and best card party yet!

PROGRAM

The program for the evening will be in keeping with the "Hawaiian" theme. The types of entertainment will be Hawaiian. First of all, a group of 10th Graders who sing authentic Hawaiian music will perform. Then, another group from Morton's will sing songs on their Hawaiian clothes will be shown. The entire program will be approximately thirty minutes in duration.

Judie Tibbets
Program Chairman

It is planned at our next meeting to sign up to help of the Project Concern.

We will have a show of help clothing, hats, medicine, food, and other necessities, and we will have a collection for the Project Concern.

Jay-C-ettes Card Party to be held August 5, at the Elks Club at 8:00 p.m. The theme is "Hawaiian Vacation" with a style show and musical entertainment being planned. For the committee the dress is Hawaiian with Muu Muu's or shifts in order.

The Jay-C-ettes did not shirk their duty when it came time to take part in the Oregon Jaycees' Project Concern. A couple of suggestions as to what we could do was all that was needed - and to work we went! We spent \$21.47 buying coats, washcloths, toothbrushes, toothpaste, nail files and soap to make up 24 personal hygiene kits which will be distributed to the South Viet Namese people. On a Friday afternoon Billie Ann Kumpula, Judie Gibbette, Pat Ellis, and two prospective members, Doris Andrews and Cara Olson, and myself assembled the kits. They were delivered to a warehouse in Portland where all the Project Concern material is stored.

The Astoria Jay-C-ettes did not shirk their duty when it came time to take part in the Oregon Jaycees' Project Concern. They were delivered to a warehouse in Portland where all the Project Concern material is stored.

Our club also voted to give \$25.00 in cash to Project Concern. This money, together with all the money from the other clubs in Oregon, will be used to buy all the medicine dispensed in South Viet Nam during several days to be designated as Oregon Jay-C-ettes' Project Concern. The money will be sent to the Project Concern, and we will have a collection for the Project Concern.

WE HAVE A NEW, PERMANENT ADDRESS

'ELF13' 1520 3T

I have contacted the St. Mary's Nursing Home, and there is a great need there as no one conducts any sort of a craft program for the people, there is no one to read to them, visit some of them or take any notice of their birthdays, etc. There is also a need for special equipment to make some of the patients more comfortable which the hospital cannot afford.

I think it is important for all of us on anything that we do to remember that we are not a large group and we do not want to take on anything that will be too difficult, time consuming or a burden instead of a reward. I would appreciate it if all of you would seriously consider how much time or effort you would have to contribute to some sort of a program (if, indeed, you want to have any) to aid people here in Astoria.

NOTES FROM ALETHA

NOTES FROM ALETHA

First of all, thank you for electing me as your president. It is quite a challenge and I'll do my best to meet it with all the enthusiasm and ability I can muster. If the fine cooperation I've received thus far is a sampling of what we can expect throughout this year, I'd say we've got a good thing going.

As most of you know, our 3rd Annual Card Party is our next big project, set for Friday, August 5. If you have a special talent, be sure to let Go-About, Betty Hadden and Sheri Tyle know. They'll find some way to use it, and by all means say "yes" when someone asks for your help on the card party.

We will always welcome suggestions and ideas for new projects, service projects as well as money-making ones. A service project which has been suggested is to send candy and cookies to Clatsop County's (or just Astoria's) servicemen in Viet Nam, what are your thoughts on this? Think it over, and of more possibilities.

New projects are supposed to be discussed at Board Meetings before being brought to the membership and I'd like to emphasize that all of you are welcome to attend the Board Meeting which is held on the 2nd Monday of each month.

Aletha Westerberg
President

TRI-CITY DINNER

As far as I am concerned, the Tri-City Dinner was a great success, and I hope that all who attended feel the same way. We had a good crowd, with more from Jeanie and Warrenton combined than we had from Astoria. The entertainment from the Job Corpsingers was well received, as were the favors over which my committee labored so diligently. I hope we make this an annual event as it was easy to prepare for and very enjoyable fellowship.

Thanks again to my loyal committee members, Judy Ribbetta, Sheri Tyle and Aletha Westerberg, as well as all of you who turned out to help on the favors.

Julie Meyers,

At the 1974 Jaycee Convention in Pendleton, Paul Harvey, noted news commentator, gave an inspirational speech to the thousands who attended the evening banquet.

STATE CONVENTION

WOMEN'S LUNCHEON

Due to the cold wind which plagued us all week-end, what could have been a very enjoyable outdoor barbecue turned into a somewhat cramped indoor picnic luncheon Saturday afternoon.

It was nice to be able to wear casual attire instead of the usual hot gloves, etc. and the food was delicious generous portions of barbecue meat, cold slaw, beans, etc. But it was rather difficult to eat while sitting on gymnasium bleachers. We were scheduled to sit on the lawn in front of the school while eating, but the bleachers were hurriedly taken down for use when the weather failed to improve.

We adjourned to the auditorium of the same school as we finished eating for the afternoon's program.

HIGHLIGHTS

On Saturday evening of Jaycee Convention in Pendleton, Paul Harvey, noted news commentator, gave an inspirational speech to the thousands who attended the evening banquet.

One of the remarks he said which I'll always remember was in effect; The greatest threat to America today is the lazy American: the ones who will not do for themselves and expect "Big Brother" to care for them.

His speech covered current issues such as Viet Nam, the good old days, politics, and many other aspects of our society.

WESTERN BREAKFAST

The last morning of the convention at Pendleton all the Jaycees and their wives went to a western breakfast hosted by the VFW. The meal was cooked on outdoor fireplaces and the men did a beautiful job. Breakfast was really a feast with sourdough pancakes, ham and eggs with plenty of black coffee. It was well worth the long wait in a line of hungry people, and a fine way to send the city's visitor's home with one last act of hospitality.

STATE CONVENTION (Cont.)

ELECTIONS

Going to a Jaycee State Convention is an interesting experience. And, of course, elections are the main reason for holding the convention. The wives of the Jaycees are usually taking part in activities planned especially for them by the hosting Jaycees and therefore the women do not usually get to see the election procedure in action. This year was different. There were two very close District VP races that caused the elections to run overtime so badly that the election of the State President, which was a highly-contested race itself, had to go into after one midnight night. Margaret, one of the treasurers spoken by Paul Harvey, our State President, Maria Hansen, of Tinseltown, was finally elected on the 7th of the roll call ballot about 2:30 Sunday morning. The next disappointment was the Inaugural Ball, which was the grand finale of the convention, was not held because of the late hour.

CAMERA COMMITTEE

At the Jaycees May meeting, the membership voted to purchase an Instamatic camera and I was to check into the best price. After pricing the camera at Steinbeck's, Paramount, and Longstones, and the Seal Studio, I decided to purchase the one at the Owl Drugstore, due to the best price. I am sure that we will get alot of use from it.

OUR "TRAVELING" BULLETIN BOARD

You've never heard of one? Can you notice it at the June meeting at Camp Red's hall? We have received (from an anonymous benefactor) a 13" x 17" framed bulletin board with a wood cork surface. On it you'll find news from the Jaycee clubs of the area as well as other items of interest. Any and all contributions for "Our Board" will be gladly received by the following girls: Mary Mackermann, Pat Ellis, Sheri Tylo or Althea Westenberg. Look for "The Board" at each meeting - be in-the-know!

The meeting was called to order by President Aletha and she immediately turned it over to the Regatta Court - our program for the evening.

Mrs. Becky Wright of the Anchor Club introduced Mrs. Gene Madon of Knappe - the chaperone for the 1966 court. Mrs. Madon then introduced Margie Huhta of Knappe High School who spoke on the history of the Astoria Regatta and told us a Mr. Frank Gunn and Mr. Harry Bell were the originators. Following her talk, Margie introduced Alida Sullivan of Star of the Sea, who talked about several personal experiences of the 1966 Regatta Court. Alida then introduced Jan Lovvold of Astoria High School who gave a speech regarding Astoria's two major industries - fishing and logging. Jan concluded by introducing the final princess, Jackie Singleton of Astoria High, who talked on the history of the Astoria ferry system which would end a long and colorful era tonight with the opening of the new Astoria-Mepler bridge Friday morning.

Following the program, refreshments were served by the hostess, Julie Myers read a portion of a letter from Fairview regarding Debbie and Sharon and extended an invitation to our guests to attend the card party held annually to support our girls.

After the guests departed, the business portion of the meeting was held. Aletha called for self-introduction of the 13 members present and then she introduced the three guests - Jo Madigan, Vivian Townsend and Marge Berroth.

The minutes of the previous membership and board meetings were read. There was one correction - Jeannie Peterson accompanied Judie Tibbette to Seaside not Julie Myers.

A letter from the President of the Clatsop County Association for Retarded Children enclosing a \$2.00 donation for the card party.

A letter from the Anchors inviting the Jay-c-ettes to attend their Regatta tea to be held Aug. 13th and their Regatta luncheon on August 26th.

OLD BUSINESS

Committee Reports: Friendship & Chgr - Marlene stated she had nothing more other than what was in the Jabber.

Membership - Billie Ann needs two more calling committee chairmen. Laura Stramello and Sheri Tyle volunteered to do the calling for the next three months.

Welfare - Julie Myers read the entire letter received from Fairview regarding Debbie and Sharon stating their needs are underwear, makeup, jewelry, etc. There was considerable discussion regarding the fact that the girls' needs appear to be lessening and because of this, perhaps, our club could afford to adopt another girl. A motion was made and seconded that Julie write a letter inquiring as to the possibility of doing so. Motion passed.

Julie also reported on having visited the Welfare Commission and found that the county's mentally retarded children are sufficiently cared for but a real need lies with the patients of the St. Mary's Nursing Home. She explained they mainly need people's time - but also would greatly appreciate magazines, books, etc. They are often overlooked and can use just about anything. Julie stated that Aletha Westberg's mother, Mrs. Snider, is the supervisor and had offered to appear before our group and explain the situation and answer any questions we might have. A motion was made that we ask Mrs. Snider to speak at our next meeting. Seconded and passed.

Program: Judie Tibbetts read a letter from the Secretary of the Temporary Drum and Bugle Corp. stating they are requesting different clubs to make yearly donation pledges - with a minimum of five years required. It was suggested that Judie contact the committee to possibly have someone attend a future membership meeting to explain further.

Jabber - Sharon Schalk and Carolyn Northcraft reported on the latest issue. Vivian Townsend volunteered to help with the next Jabber.

Publicity - The Jay-C-ette camera has been purchased - no instantatic - and is being used this evening. Also, an article regarding the June meeting has been put in the paper.

OLD BUSINESS - Committee Reports (Continued)

Card Party - Sheri reported that with the exception of decorations, everything seems to be going well. All tally and place cards have been made. Reservations are okay - you may contact Aletha. Program - Morton's will furnish the clothes for the fashion show. Judie stated the models will include Karen Mitzel, Billie Ann and Jeannie Peterson. Publicity - There was an article about the card party in tonight's paper and two more are planned. Also, posters are being put up. Refreshments - Carolyn reported each girl should bring four dozen open-faced sandwiches or four dozen cookies. Decorations - Sheri stated they would need help Friday - August 5th - putting up the decorations from 10:00 am to 12:00 noon. The Jaycees will take the tables over. Tickets - Sandy Truman is taking care of the tickets. Finally, Sheri urged all members to ask their friends to attend.

MEMBERSHIP: School District letter - There was discussion re. whether or not to help with informing the public of the necessity of holding this bond election and the importance of this new Junior High School. As the proposed date for the bond election is not until October 13th, Laura moved to table. Seconded and carried.

Sister City Committee - After some discussion, a motion was made to turn down the request for help with the International Festival due to the fact that our time is taken up with our own club's activities, at present. Seconded. Motion carried.

Regatta drivers - Aletha reported that Jay Sheppard has asked the Jay-C-ettes to drive convertibles carrying dignitaries in the Regatta parade. It was moved and seconded that we do so. Motion passed. Marlene was asked to inform Jay and present him with a list of names of those girls volunteering.

August meeting - Billie Ann asked that since our August membership meeting is scheduled for the same night as the Regatta coronation, we might want to set it up one week to August 18th. A motion was made to do so. Seconded and passed.

Regatta buttons - Billie Ann also reported that the Regatta Association asked us to sell buttons. No action was taken.

Co-hostesses - The board recommends to the general membership that we use co-hostesses for our meetings. It was so moved. Seconded and the motion carried.

Announcements: Card Party - August 5th; A work party is scheduled for 10:00 that morning. Be at the Elks Club at 7:15 pm dressed in sea suits. Bring sandwiches and cookies.

Jay-C-Ettes Ask Public to Help 2 Waifs by Attending Card Party

Astoria Jay-C-Ettes are asking their friends and the public to help them remember two young girls, who would otherwise be forgotten, by attending the annual Jay-C-Ette benefit card party, August 5 at 8 p.m. in the Elks temple.

It was about nine years ago that the group of warm-hearted young Astoria matrons took under their wing two little girls who had been brought to Fairview home for retarded children in Salem by their parents, who, from then on, showed little or no interest in them.

But, from then on, each year the little girls were remembered with gifts of bright new toys and pretty clothes at Christmas, Easter, on birthdays and other special occasions by their adopted mothers in Astoria. In September, when other children are taken shopping by their parents to select school clothes, a committee from the Jay-C-Ettes selects a new wardrobe for the two waifs, delivering it in person to the home. This annual visit has become a highlight of the year for Debbie and Sharon, who look forward to a visit from "their mothers," because

it means, beside the pretty new clothes, a shopping trip for shoes and lunch in town, practically the only contact with the outside world for the two.

Now Debbie and Sharon are young ladies of 15, and the Jay-C-Ettes are proud of the fact that their adopted daughters are

both making progress for the year. Reservations may be made by calling 325-4315 or 325-5191, and card players are asked to bring their own cards and score pads.

And so, each August the Jay-C-Ettes hold their "wardrobe" card party, with proceeds going for outfitting the two

foundlings for the year. Reservations may be made by calling 325-4315 or 325-5191, and card players are asked to bring their own cards and score pads.

Astoria Jay-C-Ettes who are working on the annual card party to be an event of Friday at the Elks temple, 8 p.m., are, front row, left, the Mesdames Douglas Myers, Dennis

Northcraft and Barton Andrews. Back row, left, the Mesdames Kirk Tibbets, Robin Truman, Larry Tyle, Bob Westerberg and Jay Shepherd.

Jay-C-Ettes Are Prepared for Big Card Party Crowd

Final plans for the annual Astoria Jay-C-Ette card party were discussed when the group met recently at the home of Mrs. Douglas Myers, always one of the biggest social events of the summer.

Theme for the event, to be held Friday at 8 p.m. in the Elks ballroom, is "Hawaiian Vacation," with tropical island decor and a style show of travel and sports clothes. A special feature will be appropriate music by a group of young Hawaiian students from the Job Corps center.

Proceeds from the party will help to finance a wardrobe for each of the Jay-C-Ettes' two "adopted daughters," Debbie and Sharon, at Fairview children's home, Salem.

Reservations for tables can be made by calling 325-4315 or 325-5191.

General chairmen for this year's card party are Mrs. Larry Tyle and Mrs. Robin Truman, assisted by Mrs. Evor Kumpula, publicity; Mrs. Bob Westerberg and Mrs. Joe Buchheit, reservations; Mrs. Jay Shepherd, prizes; Mrs. Don MacOverland and Mrs. Burton Andrews, decorations; Mrs. Dennis Northcraft, refreshments; and Mrs. Kirk Tibbets, program.

Jay-C-Ettes' Big Card Party Is Coming Up Soon

The June meeting of the Astoria Jay-C-Ettes held at the home of Mrs. Douglas Myers, always one of the biggest social events of the summer.

John Madigan.

The main topic of discussion was the club's third annual card party, which, this year, will be held at the Elks club on Friday, August 5, at 8 p.m. The "Hawaiian Vacation" theme will be carried out with decorations under the co-chairmanship of Mrs. David Elle and Mrs. Don MacOverland, and with a program being arranged by Mrs. Kirk Tibbets, program chairman. Anyone interested in making reservations may call Mrs. Robert Westerberg, 325-4315, or Mrs. Joe Buchheit, 325-5191.

The meeting was adjourned following the reciting of the creed led by Mrs. Evor Kumpula. Refreshments and a white elephant sale ended the evening on a pleasant note.

The next meeting will be held July 23 at the home of Mrs. Doug Myers.

Jay-C-Ettes Plan July Card Party

The Astoria Jay-C-Ettes held their May meeting at Mrs. Frederick Coleman's in Gearhart, and Mrs. Robert Westerberg, publicity chairman, will also be assisting a standing committee to assist in the meeting.

Mrs. Herman Mynett, Astoria, is planning a "Hawaiian Vacation" theme for one of the groups' "adopted daughters" at Fairview.

There was much discussion concerning the annual card party to take place on Friday, August 5, at 8 p.m. in the Elks ballroom. The committee is assisted by Mrs. Kirk Tibbets, program chairman; Mrs. Don MacOverland, publicity; Mrs. Bob Westerberg and Mrs. Joe Buchheit, reservations; Mrs. Jay Shepherd, prizes; Mrs. Don MacOverland and Mrs. Burton Andrews, decorations; Mrs. Dennis Northcraft, refreshments; and Mrs. Kirk Tibbets, program.

Mrs. John Madigan was a guest at the meeting.

After the meeting Mrs. MacOverland awarded a prize to Mrs. John Madigan.

The next membership meeting will be held at Mrs. James Myers' and a white elephant sale will be held following the meeting.

Dear Miss Westerberg:

Thank you for your kind invitation to the card party August 5, 1966. Your invitation is being forwarded to all members of the Clatsop County Association for Retarded Children.

Due to a prior engagement, Mr. Truesdell and I must decline, but do wish to contribute to the fine effort your group is making in behalf of your "adopted Daughters" at Fairview. Our son was at Fairview for a time, and we know just how much it means to the children there to have someone (or several someones) to CARE about them and be AWARE of them.

Please accept the enclosed check as part of the card party receipts, and here's wishing you a successful endeavor. Members of the Astoria Jay-C-Ettes are especially welcome at all meetings of the Clatsop County Association for Retarded Children, and we shall be very glad to assist you in any way possible in your efforts to help alleviate the problems of the mentally retarded.

Very truly yours,

Jay-C-Ettes Hear Report by Nursing Home Supervisor

Mrs. Bernice Sander, of St. Mary's Nursing Home, was guest speaker at the August meeting of the Astoria Jay-C-Ettes held at the home of the president, Mrs. Robert Weir. Berg. Refreshments were served by Mrs. Jay Simonsen, co-hostess, prior to the business meeting.

The various announcements reported on the card party were the club sponsored earlier this month. The proceeds from the card party are used to help defray the two adopted daughters at Fairview Home in Salem. Mrs. Doug Myers, assistant chairman, Mrs. Kirk Tibbets, and Mrs. Dave Egerton volunteered to go the shopping for the girls. A date for the vacation to Salem will be chosen soon.

The club furnished 10 cakes for the International Festival August 2, and Mrs. Larry J. J. was in charge of delivering the cakes.

New members attending the meeting included Mrs. Dave Egerton, Mrs. Dean Furr and Mrs. Steve Townsend.

September 22 will be the next regular meeting at the home of Mrs. Kirk Tibbets, with Mrs. Larry Peterson as co-hostess.

FRIENDS:

Kindly accept our thanks for your share in making our 1966 Festival Events a success.

You graciously gave of your time, your talents, your supplies and equipment, thereby assuring us success for our week of festivities.

The Sister City guests from Walldorf, Germany had an interesting week due to the splendid cooperation of our citizens in Astoria, Clatsop County and the State of Oregon, as well as assistance from every State in the United States.

The events of this week will be a treasured memory for those who participated in the week's activities. Over 4000 attended the International Festival and soccer games at the University of Oregon Job Corps Center at Tongue Point, with approximately 1000 cars being parked by the Civil Air Patrol of Tongue Point. The American Picnic at the Sons of Norway Park, conducted by Mr. Wayne Olmscheid and Mr. Hiram Johnson was a success and well attended. The Astor Fare of 1811 Luncheon at the Seafare was a sell out. The tour of Astoria Historic Homes, sponsored by the Astoria Association of University Women had an attendance of over 400, and the Victorian Arts Festival at the Historical Museum was attended by over 2000.

On behalf of the SISTER COMMITTEE of Astoria, Oregon, please accept our heartfelt thanks.

Sincerely,

Robert Lovell, Chairman

MEMBERSHIP MEETING AUGUST 18 1966

Our president, Aletha Westerberg, called the meeting to order and welcomed the members. The program for the evening precluded the general business meeting. Due to the concern shown by the members, the program was a talk given by Mrs. Snider regarding what the Jay C Ettes could do to make the nursing home at St. Mary's Hospital a little brighter for the patients. Mrs. Snider offered the following suggestions based on her personal experiences and recommendations and the observations of the others at the hospital. The suggestions were as follows: An ultra-violet bulb is badly needed at the cost of around \$10.00. Sister Luke suggested a bulletin board on each floor for pictures and current articles and such. Live entertainment and crafts are always appreciated. On the more practical side would be pull sheets, bathrobes for men, and even underwear. Food and sweets are plentiful during the holiday seasons but scarce during the rest of the year.

Mrs. Snider then related a few pleasant and humorous experiences involving patients. An open question and discussion was held after the talk.

Refreshments were served by Aletha, hostess for the evening, and co-hostess, Marlene Shepherd.

Fourteen members were present and we welcomed two guests, Mrs. Snider and Marlon Egerton.

Once-Forgotten Girls Treated By Jay-C-Ettes

Four Astoria Jay-C-Ettes traveled to Salem Tuesday to visit the club's "adopted daughters", Debbie and Sharon, at Fairview home. Making the trip were Mrs. Herbert Berge, Mrs. Barton Andrews, Mrs. Fred Coleman, and Mrs. Joan Madigan.

The girls were poked up at their cottages where they were presented with gifts from the Jay-C-Ettes, which they joyfully unwrapped. They were then taken out for lunch at a downtown restaurant and a shopping trip to several Salem stores.

Not only the "adopted daughters," but the Jay-C-Ettes as well, look forward to this annual outing, which is financed by the yearly card party sponsored by the Jay-C-Ettes. To buy clothes and gifts for the two formerly "forgotten" little girls.

Dear President:

Each of Oregon's Public Colleges and Universities will hold a Women's Day on the Campus this coming fall.

The purpose is to acquaint mothers with the college which their sons and daughters are attending or plan to attend, and to inform all women of the community of the possibilities for furthering their own education either to earn a degree, develop skills, or acquire new interests for the enrichment of life. The "Day" will include tours, demonstrations and classroom visits, luncheon and outstanding speakers.

Clatsop College will hold Women's Day on the Campus on September 29, 1966, beginning with registration at 9:15 a.m. and closing at 3:00 p.m.

All women in your organization will be invited by personal letter. We would therefore like to have a list of your women members and their addresses sent to Mrs. Paul Tolonen at Clatsop Community College by June 15. We realize the regulations of some organizations restrict their revealing the names of members. Because this list will be used by the Division of Continuing Education for this purpose only, we hope that an exception can be made. If not, perhaps you can advise us of the number of your members so we can provide the letters for your to mail.

We want this invitation to reach as many women in Clatsop County as possible and will be most grateful for your cooperation in this effort.

Yours very truly,

The meeting was called to order by
President Altha and the invocation
was given by our newly appointed
chaplain, Laura Stramell.

Our program for the evening was
our guest speaker, Mrs. Hendred, who
spoke of the newly formed drum and
bugle corp, The Sunettes. She informed
the members of the club and read a
few by-laws of and their purpose. In
comparison with the previous drum
and bugle corp, The Sunettes will represent
all of Clatsop Co., not just Astoria. She
stated the needs of the club as being
pieces of instruments and insurance for
instructors. The main problem was
purchasing uniforms for the group and
Mrs. Hendred said that this would in-
clude uniforms for the all-girl color
guard. Money also was needed to help
pay instructors. Suggestions to help
the club along would be a fund rais-
ing project at which the Sunettes would
participate.

After Mrs. Andrew ^{concluded} ~~finished~~ her speech,
refreshment, were served. Jessie Peterson
was co-hostess for the evening.

The minutes of the previous ^{board} meeting and
general meeting were approved. There
was one correction: Sept. 10th was the
first choice for our visit to Fairview.

The Clatsop County group leads the state in county-wide cooperation for its size in the state.

ward to support the Clatsop County Association for Retarded Children were made to the local firms as a tribute and individuals. Fifty-two awards were presented at a Saturday night banquet celebrating the Association's 15th anniversary. The remainder will be presented as soon as possible. The various plaque awards were sponsored by the Astoria Knights of Columbus. This was the Association's way of saying "Thank you" to the many supporters it has had fighting the effects of mental retardation. They also recalled the many instances of support that might go unrecognized because it wasn't recorded in the minutes of the Association. The Clatsop County group heads the state in county-wide cooperation for its size in the state.

Mr. Vernon Truesdell, President of the Association, said their motto is "Retarded children can be helped," and

due to the support in this county they have been helped by its citizens.

Award recipients were: Sue Tyler, Chapel 2, Portland, Mr. and Mrs. Louis R. WHO ARE WE:

Oregon Fairview Home is the state institution for the treatment, training, and care of the mentally retarded residents of Oregon. It is located at the southeast edge of Salem. Currently it is home for 2500 people.

OUR NEEDS:

Fairview Home has served citizens of Oregon for 57 years. In that time, no building has been provided for worship purposes. A general multi-purpose room has been used.

Our residents deserve a church, a heritage each of us has if we desire. It is within this kind of religious setting our residents, like the rest of us, begin . . .

Gifts Provided for Soldiers in Viet Nam

Mrs. Alfred L'Amie, left, and Mrs. Chester Love inspect some of the 200 "ditty bags" of Christmas gifts for soldiers in Viet Nam that local people have provided through the Red Cross. They will go direct to Viet Nam, Red Cross officials said. Mrs. Love was chairman of the project. Other volunteer workers and agencies which helped materially were Mrs. L'Amie, Jay-C-Ettes, American Legion aux-

iliary, Pythians, Mrs. C. R. Elser, Warrenton; Emblem club, Mrs. George Fleming, Health Store, Mrs. Verne Stratton, Mrs. Kay Luciani, Mrs. Albert Iversen, Mr. and Mrs. Lester Crohn, Mrs. Adeline Sather, Mrs. Nellie Hansen, First National bank, Pacific Northwest Bell, Jan and Mary Vice, Warrenton Methodist church, Mrs. Ward Nichols.

Christmas Gifts For Marines in Viet Nam Asked

The American Red Cross has asked Oregon to provide goods for 7,000 Christmas gift packages for men of the First Marine Division in Viet Nam and Clatsop chapter has been asked to fill 200 of the small "ditty bag" gift sacks.

Mrs. Chester Love, in charge of the project, said she has prepared the 200 sacks but that so far there is nothing to put in them. Deadline for mailing is October 15 if they are to reach Viet Nam by Christmas, she said.

Items donated may be mailed to the Red Cross, Post Office Box 26, or turned in at the office, 7th and Exchange, between 9 a.m. and 5 p.m. Mondays through Fridays.

Donated items, the committee requests, must be new. They should be toilet articles, small clothing, games and reading material, food and miscellaneous items.

Most in demand are injector razor blades, white sweat socks, playing cards, ballpoint pens, flints for lighters, pre-sugared powdered drinks, especially lemonade and instant tea packets. Liquids, combustibles, and items that might spoil or deteriorate in heat should not be included.

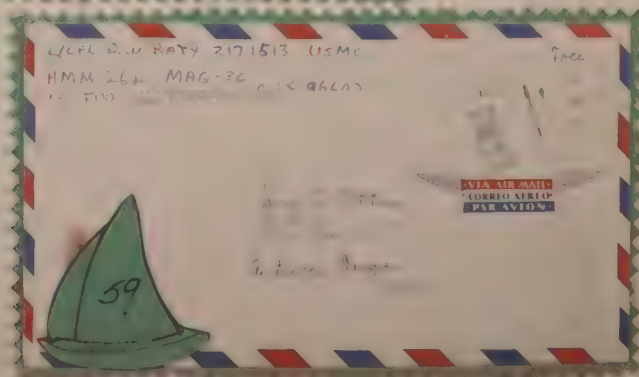

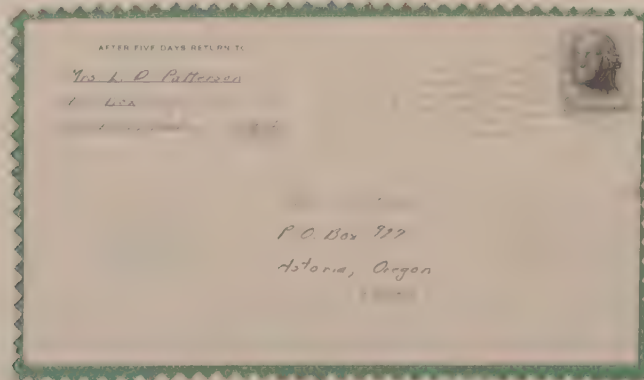

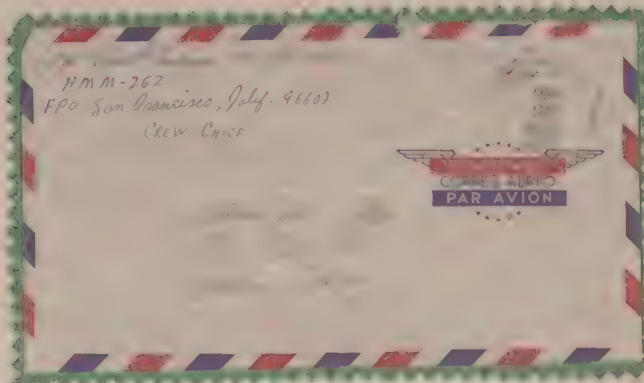

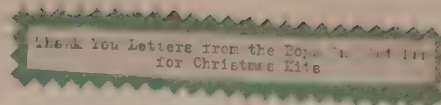

Some other suggestions are checker sets, cribbage sets, sewing kits, hand towels, ointments, hard candies individually wrapped, combs, foot powder, nail clippers, sun tan lotion, paperback books, puzzles, plastic bags, soap boxes, writing paper, wash cloths, individual packages of tissue, long boot laces, and handkerchiefs.

Jay-C-Ettes Send Christmas Cheer

Astoria Jay-C-Ettes packed 25 ditty bags with small items to be sent to the American fighting forces in Viet Nam for Christmas. Playing cards, writing paper, ballpoint pens, pre-sweetened powdered fruit drinks, lighter flints and pocket novels were among the various items that went into the mesh bags, along with a Christmas card each. They were delivered to the Astoria Red Cross chapter, which furnished the bags, and which will ship the bags overseas.

Jay-C-Ettes working on the project were Mrs. Steve Townsend, chairman, Mrs. Tony Stramiello Jr. and Mrs. Eivor Kumpula.

Dear Jay C. Ettes

I received your Christmas package today and I want to thank you, believe me it makes a person feel good to know that people at home do care, about us over here, thanks again, and best wishes for the new year

RUM-AGE SALE

The main fund raising project of each year, the Jay-C-Ette rummage sale will be held during the second week of February. All members, whether active or inactive are urged to participate in this project, as this is our money maker and our treasury could use a nice fat boost.

Articles of rummage that we had numerous requests for last year were books, pocketbooks, and magazines, toys (now is a good time to dig into your children's toy boxes and clean out the old toys they never play with - especially since St. Nick was just here), dishes and cooking utensils, ornamental articles such as artificial flowers, old pictures, and 8-ball decorations and nick nacks, jewelry furniture or carliane's and mouse-parts. Shoes should be tied together and in fairly decent condition.

And please try to send clean clothes.

If you know of anyone who is moving, also remind them that we could use whatever they don't want.

Now is the time for us to start discarding the things we thought we'd use someday and never have. Start your spring cleaning early when your junk is most useful (to us).

Julie and I will gladly pick up any rummage you may have. Just call us at 325-2771 or 325-3150.

Further details and work schedule will be discussed at our forthcoming meeting to be held at Billie Ann Kumpul's home.

Please be thinking of how and when you can help. Tell one and all - Let's make this the best sale ever!

Astoria Jay-C-Ettes Beloved By Two 'Adopted' Daughters

Debbie and Sharon, two young girls at Fairview home for children in Salem think the Astoria Jay-C-Ettes are just about the most wonderful bunch of mothers two children could have.

This is not just a sudden opinion on the part of two small waifs, who were brought to the home for retarded children several years ago and then apparently forgotten by their parents. The love and devotion of the group of young Astoria mothers to the two little girls now in their teens has given proof that someone really cares about them and will continue to care in the years to come.

Mrs. Robert Westerberg

And because of Debbie and Sharon every year the Jay-C-Ettes stage a big card party and most everyone at town and those who can't send in donations so that these girls can be outfitted with pretty new clothes and can be taken out shopping and to lunch in town and then remembered with gifts and cards on birthdays, Christmas and other holidays.

Although this is one important project each year the Jay-C-Ettes don't stop there. Their purpose is to help community-wise, each year. By having their husbands join in these projects the Astoria Jay-C-Ettes stage a big Easter egg hunt taking in a five mile stretch of the trees and bushes in the park for children to make themselves feel part of the area.

Let wives, mothers and citizens all these are their duties too. To aid and contribute financially to such community functions asked of them they hold an annual rummage sale.

Mrs. Robert Westerberg, mother of twins a boy and a girl is president this year of the Astoria Jay-C-Ettes; Mrs. Edmon Schalk is vice-president; Mrs. Jay Shepherd, secretary; and Mrs. Fred Coleman treasurer.

One of the main projects, their purpose is to help community-wise, each year. By having their husbands join in these projects the Astoria Jay-C-Ettes stage a big Easter egg hunt taking in a five mile stretch of the trees and bushes in the park for children to make themselves feel part of the area.
